

World History Survey, Semester A

Course Overview

In World History Survey, Semester A, you'll learn about major historical events, from the earliest human societies through the Middle Ages. In the first unit, you'll learn about early humans, the Neolithic Revolution, and the development of civilizations in Mesopotamia, Egypt, India, and China. In the second and third units, you'll study major world religions and classical civilizations of the world. In the last two units, you'll study the history and society in the early and late Middle Ages.

Course Goals

By the end of this course, you will be able to do the following:

- Identify and use primary and secondary sources.
- Understand chronological thinking.
- Identify bias and credibility in historical sources.
- Analyze the impact of the Neolithic Revolution.
- Understand the characteristics of ancient river civilizations.
- Identify the origins and main beliefs of Judaism, Christianity, Islam, Hinduism, Buddhism, and Confucianism.
- Examine the characteristics and legacy of ancient Greek civilizations, the Roman Republic, and the Roman Empire.
- Identify the characteristics of classical Chinese and Indian civilizations.
- Understand the development of pre-Columbian Mesoamerican and Andean civilizations.
- Examine the development of civilizations in China, Japan, and Africa during the Middle Ages.
- Analyze the effects of the Mongol invasions on Russia, China, and Islamic civilizations.
- Examine the transformation of western Europe during the late Middle Ages.

General Skills

To participate in this course, you should be able to:

- Complete basic operations with word processing software, such as Microsoft Word or Google Docs.
- Complete basic operations with presentation software, such as Microsoft PowerPoint or Google Docs presentation.

- Perform online research using various search engines and library databases.
- Communicate through email and participate in discussion boards.

For a complete list of general skills that are required for participation in online courses, refer to the Prerequisites section of the Student Orientation document, found at the beginning of this course.

Credit Value

World History Survey, Semester A, is a 0.5-credit course.

Course Materials

- notebook
- pencil or pen
- computer with Internet connection and speakers or headphones
- Microsoft Word or equivalent
- Microsoft PowerPoint or equivalent
